
2023 M&A Selected Deal Highlights

Date: 02/05/24

As part of our 2023 Deal Rewind, see below for certain key M&A deals led by our US team in the second half of 2023.

Cahill represented:

- **ICON plc**, a world-leading healthcare intelligence and clinical research organization, in its acquisition of **Biotel Research LLC** (formerly known as Philips Pharma Solutions), a leading provider of medical imaging and cardiac safety monitoring services.
- **Danaher Ventures LLC**, the corporate venture subsidiary of Danaher Corporation, in its investment in **BlueWhale Bio, Inc.**, a new company spun out of the University of Pennsylvania to overcome key bottlenecks in cell and gene therapy manufacturing.
- **Mark Edward Partners**, a provider of property and casualty and life and health products and services to corporations, high-net-worth individuals and families and non-profit organizations worldwide, in its sale to **ALKEME**, a top 40 insurance broker.
