## Cahill Represents Lead Arrangers and Agent in Calpine Corporation's \$1.79 Billion Commodity-Linked Revolving Credit Facility

**Date:** 07/18/24

Cahill represented the lead arrangers and agent in connection with a \$1.786 billion refinancing amendment to the existing commodity-linked revolving credit facility for Calpine Corporation.

Proceeds from the refinancing facility were used to repay loans outstanding under the existing revolving credit facility.

Calpine Corporation is the largest generator of electricity from natural gas and geothermal resources in the United States, with operations in competitive power markets.
