
Cahill Represents Administrative Agent and Lead Arrangers in Genesys' \$4.3 Billion and €534 Million Credit Facilities

Date: 01/30/25

Cahill represented the administrative agent and lead arrangers in connection with an approximately \$3.4 billion Term B credit facility, €534 million Term B credit facility, and \$900 million revolving credit facility for Genesys Cloud Services, Inc.

The credit facilities were used to refinance and replace existing indebtedness.

Genesys is a global provider of contact center and customer experience software.
