
Cahill Advises Administrative Agent and Lenders in MultiPlan's Comprehensive \$4.5 Billion Debt Reprofiting

Date: 02/04/25

Cahill represented the administrative agent and certain lenders in the comprehensive debt reprofiling of MultiPlan Corporation, a leading provider of healthcare technology and data solutions.

The complex transaction refinances and extends the maturities of its entire debt capital structure (approximately \$4.5 billion) and is supported by nearly all of MultiPlan's lenders and noteholders.
