
Cahill Represents Lead Arrangers in The E.W. Scripps Company's \$1.16 Billion Credit Facilities

Date: 04/10/25

Cahill represented the administrative agent and lead arrangers in connection with a new credit agreement for The E.W. Scripps Company to (i) replace the company's existing revolving credit facility with a new revolving credit facility with aggregate commitments of up to \$208 million and a new non-extended revolving credit facility with aggregate commitments of up to \$70 million and (ii) refinance the company's existing tranche B-2 term loans with proceeds of approximately \$545.2 million and the company's existing tranche B-3 term loans with proceeds of approximately \$341.1 million.

The E.W. Scripps Company is a communications company with a portfolio of television, radio, and digital media brands.
