

Cahill Represents Lead Arrangers in MIS Acquisition, LLC's \$1.28 Billion Credit Facility

Date: 04/22/25

Cahill represented the lead arrangers in connection with a \$1.1 billion Term B credit facility and an \$180 million revolving credit facility for MIS Acquisition, LLC.

Proceeds from the credit facility were used for an acquisition, to refinance existing credit and for general corporate purposes. H.I.G. Capital acquired Converge Technology Solutions in connection with a merger of Converge and Mainline Information Systems to form new entity Peller Technologies.

Peller Technologies delivers premier IT solutions to enterprise and mid-market clients.
