## Frank Weigand Quoted in Law360 on 2026 Compliance Trends

**Date:** 01/02/26

Cahill partner Frank J. Weigand was quoted in *Law360*'s January 2 article, "4 Compliance Trends to Watch in 2026," discussing how regulators are addressing the growing use of artificial intelligence across financial services. Frank noted that as broker-dealers and registered investment advisers increasingly integrate AI into their businesses, both the SEC and FINRA are incorporating questions about AI into firm examinations, applying existing regulatory frameworks to emerging technologies.
