## Cahill Represents Lead Arranger in TeraWulf's \$500 Million Credit Facility

**Date:** 03/25/26

Cahill represented the lead arranger and agent in connection with a \$500 million 364-day senior secured bridge credit facility for Raylan Data LLC, a subsidiary of TeraWulf Inc.

Proceeds from the credit facility will be used to finance the construction and development of a data center facility in Hawesville, KY.

TeraWulf develops, owns and operates data center infrastructure for high-performance computing hosting and bitcoin mining.
