
Cahill Represents Lead Arrangers in DexKo Global and AL-KO Vehicle Technology's \$1.49 Billion and € 982 Million Credit Facility Extensions

Date: 04/09/26

Cahill represented the lead arrangers in connection with a maturity extension of the \$1.013 billion Term Loan Facility, \$291 million Term Loan Facility, €982 million Term Loan Facility and \$189 million Revolving Credit Facility for DexKo Global and AL-KO Vehicle Technology Group.

Proceeds will be used for general corporate purposes and refinancing of existing credit facilities.

DexKo is a manufacturer of engineered components for trailer, recreational vehicle, and towable equipment providers.
