
Cahill Represents Lead Arrangers in Azuria Water Solutions' \$2.95 Acquisition Financing for Inframark

Date: 04/23/26

Cahill represented the lead arrangers in connection with a \$2.25 billion Term B credit facility, a \$300 million delayed draw term loan facility, and a \$400 million revolving credit facility for Azuria Water Solutions, Inc.

Proceeds from the credit facility will be used to help fund the acquisition of Inframark, LLC, a strategic and technical partner to communities across the country, delivering water management and other essential community services that benefit millions of people and the planet.

Azuria is the leading provider of technology-enabled solutions for the water industry. The combined platform will generate more than \$2.5 billion of revenue and offer a comprehensive set of technology-enabled solutions across the water ecosystem to help municipalities lower costs, improve compliance, and optimize capital allocation.
