
Cahill Represents Lead Arrangers in Talen Energy Supply's Incremental Credit Facilities

Date: 06/15/26

Cahill represented the lead arrangers in connection with an amendment to the credit agreement for Talen Energy Supply, consisting of a \$435 million increase to the existing revolving credit facility to \$1.35 billion and a \$400 million increase to the existing letter of credit facility to \$1.5 billion.

Proceeds from the credit facilities will be used for general corporate purposes.

Talen Energy is an independent power producer and energy infrastructure company that owns and operates approximately 15.6 gigawatts of power infrastructure in the United States.
