
Cahill Represents Lead Arrangers in Core Scientific's \$600 Million Credit Facilities

Date: 08/25/26

Cahill represented the lead arrangers in connection with a \$100 million revolving credit facility and a \$500 million letter of credit facility for Core Scientific Inc.

Proceeds from the revolving credit facility may be used for general corporate purposes and working capital needs, and the letter of credit facility may be issued to provide credit support for specific project obligations under utility agreements and for other general corporate purposes of Core Scientific, Inc. and its subsidiaries.

Core Scientific is a leader in designing, building and operating large-scale, purpose-built data centers for high-density colocation services.
