
Cahill Represents Underwriters in Primary Offering for Equinix, Inc.

Date: 03/04/19

Cahill represented the underwriters in connection with a primary offering by Equinix, Inc. (NASDAQ: EQIX) of 2,985,575 shares of its common stock, publically priced at \$416 per share, which included 389,422 shares as a result of the exercise in full by the underwriters of their 30-day option to purchase additional shares. Proceeds from the offering will be used for general corporate purposes, including funding for Equinix's currently planned IBX data center expansion projects.
