

Cahill Leads in Reuters 2006 Lending Markets Survey

Date: 02/05/07

Loan Pricing Corporation recently issued their annual survey of legal advisors in the lending markets for 2006. Cahill ranked #1 (by volume) representing lead arrangers in leveraged loan transactions, with 83 reported deals for nearly \$60 billion in proceeds.

Cahill also ranked the leading firm representing arrangers in M&A loan transactions.

In other categories, Cahill ranked #2 for overall leveraged deals representing borrower or arranger, and ranked #4 in representation of arrangers in all loans (by volume).
