The *IFLR* has published its 2008 edition of the *IFLR 1000, The Guide to the World's Leading Financial Law Firms*, recognizing Cahill's corporate practice in the U.S. capital markets, including the top ranking in "Capital Markets: High-Yield Debt" category, and high rankings in "Bank Lending" and "Capital Markets: Debt & Equity" categories.

The *IFLR1000* is the only publication of its kind to focus on the leading law firms for corporate finance worldwide. The guide is now in its 18th edition, and has grown to cover more than 100 jurisdictions. IFLR rankings are based on the recommendations of in-house counsel at the world's most prominent financial institutions and companies, as well as the leading lawyers in each legal market covered.
