
Cahill Ranked as “Highly Recommended” by *Benchmark Litigation*

Date: 10/22/14

Cahill Gordon & Reindel LLP has again been ranked as a “highly recommended” law firm for litigation by *Benchmark Litigation* in its newly published 2015 edition, which names Cahill among the leading firms in New York and nationally in: general commercial, antitrust, insurance, securities litigation, and white collar crime practice areas. *Benchmark Litigation* has ranked Cahill in its highest tier ranking in each of its editions since 2008.

Nineteen Cahill litigators have been named “local litigation stars” or “future stars” in the 2015 edition, including partners Landis Best and Penny Windle, who were also named among the top women litigators in the United States in *Benchmark: Top 250 Women in Litigation*.

Published by Euromoney *Institutional Investor PLC*, and focused exclusively on the U.S. litigation market, *Benchmark Litigation*’s rankings and editorials are the result of extensive interviews with private practice lawyers and in-house counsel. The guide’s “local litigation stars” list reflects lawyers who are recommended by peers and clients to have established consistent reputations as reputable and effective trial attorneys.
