

Chérie Kiser Named to *The National Law Journal's* Outstanding Women Lawyers List

Date: 05/04/15

External Link: [*The National Law Journal's Outstanding Women Lawyers*](#)

The National Law Journal has named Chérie Kiser to its list of the most accomplished women attorneys working in the legal profession today. The NLJ evaluated hundreds of nominations submitted from around the country by law firms, corporations, nonprofit organizations and law schools to select 75 women lawyers who represent excellence in private practice, corporate counsel work, public interest representation, legal education and the judiciary.
