

Cahill Takes Top Spots in Refinitiv Loan Connector League Tables for 2019

Date: 01/27/20

Cahill's Capital Markets & Lending practice earns the top ranking in several categories for the 2019 league tables recently published by Refinitiv Loan Connector (LPC), formerly Thomson Reuters LPC. For the full year 2019, Cahill participated in 208 loan transactions, generating more than \$256 billion in aggregate gross proceeds and earning the firm the #1 spot across all roles for total issuance by volume. Continuing its prominence in the U.S. bank leveraged lending market, Cahill captured 34.34% of the market share by volume, advising on 179 transactions, and generating more than \$197 billion in aggregate gross proceeds. Cahill has been the top-ranked legal adviser to lead arrangers of leveraged loans since 2010.
