

Cahill Recognized by Clients in BTI List of Firms Going Above & Beyond

Date: 04/29/20

The BTI Consulting Group has named Cahill among 43 firms that clients say are going above and beyond during the COVID-19 pandemic. The pandemic is redefining corporate counsel objectives and in some cases their core role. Top legal decision makers told BTI how a few law firms have really stepped it up, jumped in, and are truly committed. These are the firms they would not only keep—but will go to the mat to keep if they are forced to choose. Cahill is honored to be included in this list.
