

Cahill's Q1 2020 Performance Earns Top Marks in Debtwire League Tables

Date: 04/29/20

As part of a record setting firm-wide performance in the first quarter of the new year, Cahill's capital markets and lending practice earned top spots in Debtwire's league tables for Q1 2020.

For legal counsel to lead banks of North American leveraged loans, Cahill claimed the #1 spot across all six league tables by volume, capturing between approximately 26.8% and 46.4% of the market share, and generating more than \$69.6 billion in aggregate gross proceeds. Categories included leveraged loans, M&A leveraged loans, buyout leveraged loans, institutional leveraged loans, M&A institutional leveraged loans, and buyout institutional leveraged loans.

Cahill also topped the North America High-Yield Bonds Managers' Legal Counsel league table by volume, advising on 33 deals and capturing 39.2% of the market share. Cahill's performance generated more than \$25.5 billion in aggregate gross proceeds.
