

Debtwire Awards Cahill Top Spots in H1 2020 League Tables

Date: 07/30/20

Debtwire recognized Cahill's capital markets and lending practice performance and awarded the Firm top ranks in the publication's league tables for H1 2020.

Continuing to build on a record-setting first quarter performance, Cahill was once again ranked the #1 legal counsel to North America high-yield bond managers by volume, advising on 96 transactions and capturing 34.32% of the market share in the first half of 2020. Cahill's dominant performance generated more than \$68.1 billion in aggregate gross proceeds.

Cahill also claimed the #1 spot across four league tables by volume for legal counsel to lead banks of North American leveraged loans, capturing between approximately 36.71% and 29.16% of the market share, and generating more than \$89.8 billion in aggregate gross proceeds. Categories included leveraged loans, M&A leveraged loans, institutional leveraged loans, and M&A institutional leveraged loans.

The Firm was also named as a top 10 legal advisor to lead banks and lenders in Western Europe regarding both leveraged loans and high-yield bond issuances.
