
Cahill Awarded E-Commerce Deal of the Year as Part of the Top 10 Mid-Market Deals by Mergers & Acquisitions

Date: 05/05/21

As part of their Top 10 Mid-Market Deals of the Year, *Mergers & Acquisitions* magazine has named Cahill a recipient of the publication's E-Commerce Deal of the Year Award. This year, *Mergers & Acquisitions* revamped their annual M&A Mid-Market Awards to focus exclusively on the top 10 most compelling middle-market deals of the last 14 months – and to focus on the companies that came together to make them happen in the most challenging of times.

Mergers & Acquisitions recognized Cahill's work advising 1-800-FLOWERS.COM in the acquisition of PersonalizationMall.com. The deal closed in August 2020 and helped 1-800-FLOWERS.COM achieve record-breaking results by year's end.
