

## Jonathan Brownson Named Among The Lawyer Hot 100

**Date:** 01/17/22

Partner in Cahill's London Banking and Capital Markets group, Jonathan Brownson, has been named among *The Lawyer* Hot 100 2022 list. The Hot 100 celebrates legal professionals in the UK who have exemplified innovation, excellence and relevance in the industry.

Jonathan has been recognized for his leadership in landing high-profile sponsor clients and his role in Cahill's rapidly growing London team receiving "interest from lenders, as the group shows off its capabilities in high-yield, term loan B deals and direct lending. Brownson may well have had to get going from a standing start at Cahill, but he certainly finished the year with a flourish."
