

Gerald Flattmann Recognized as a 2023 Intellectual Property Trailblazer by The National Law Journal

Date: 07/05/23

Cahill partner Gerald Flattmann has been named to *The National Law Journal's* 2023 list of Intellectual Property Trailblazers. *The National Law Journal's* Trailblazers supplements recognize professionals who have moved the needle in the legal industry.

Gerald was profiled by the publication in connection with this recognition. Please see his full profile below, which discusses Gerald's involvement in a bet-the-company biosimilars case – including the path that led him there, change that has resulted from the concept and the bearing the outcome will have on the future of intellectual property law.
