
Cahill Ranked Among Leading Investigations Law Firms in GIR 100 2023

Date: 11/30/23

Global Investigations Review (GIR) has named Cahill among the world's leading investigations law firms in the newest edition of the GIR 100. The publication recognizes leading firms for corporate investigations, highlighting the top cross-border investigations practices. GIR editors selected the 100 firms for their ability to carry out sophisticated, cross-border government-led and internal investigations.
