Chairman Herb Washer was mentioned and quoted in connection with the question: "What makes a best-in-class law firm in 2025?"

Herb said a successful firm has to be nimble, noting "the very successful firms are the ones that are going to be able to identify the trends and the changes and turn on a dime."

Herb also highlighted the firm's focus on finding the most skilled practitioners in strategic practice areas and creating a community where job and life satisfaction are paramount.
