Date: 03/19/26

Cahill has been named a finalist for “Banking & Finance Law Firm of the Year” as part of the Chambers USA Awards 2026.

The Chambers USA Awards honor the achievements of leading law firms across the country, recognizing preeminence in key practice areas, outstanding work, impressive strategic growth, and excellence in client service. Winners will be announced at an awards ceremony on June 11, 2026, in New York.

Cahill’s Banking & Finance practice is repeatedly recognized in the Chambers USA guide in New York and nationwide for its premier leveraged finance practice and market-leading work advising financial institutions, private equity sponsors, and corporates on complex financing transactions.

This recognition follows a number of recent accolades for the firm in the banking sector. In 2025, Cahill ranked #1 among legal advisers in lender-side leveraged loans, according to LSEG Loan Connector—a position the firm has held continuously since 2010. Cahill was also named the #1 legal adviser to managers of North American high-yield bonds, according to Debtwire.
