
Cahill Continues to Top Bloomberg Law's Leading Law Firms List

Date: 06/04/26

Cahill has once again been recognized by Bloomberg Law as the #1 Leading Law Firm among firms with 200-500 attorneys, driven by the firm's exceptional financial performance and overall strength.

Bloomberg Law's *Leading Law Firms* list evaluates firms across four key categories: financial strength, talent, growth, and technology & innovation. The annual benchmarking program recognizes firms that demonstrate excellence across these metrics while successfully adapting to the evolving legal and business landscape.

According to Bloomberg Law, the rankings are designed to identify firms that are leading the profession through strong performance, strategic growth, talent development, and innovation.
