Cahill Recognized Among Leading Patent Disputes Firms in Managing IP's IP Stars 2026

Date: 07/30/26

Cahill has been recognized as a top-ranked firm for Patent Disputes in New York in *Managing IP*'s IP Stars 2026. The ranking highlights the strength of the firm's patent litigation practice and the results it continues to achieve for clients in intellectual property matters.

Additionally, Cahill partners Gerald J. Flattmann Jr., Peter J. Armenio, and Colleen Tracy James have been recognized as National and New York Patent Stars, and partner Chris Campbell has been recognized as a National and District of Columbia Patent Star. Andy Cochran has been recognized as a National and New York Rising Star.

IP Stars is a legal directory from Managing IP that provides a comprehensive analysis of the nation's intellectual property market, covering over six practice areas in more than 70 jurisdictions.
