Debtwire Recognizes Cahill Among Top Lead Bank Counsel for Western European Banks for Q1–Q3 2026

Date: 11/16/26

Cahill's European Leveraged Finance practice has earned strong recognition across multiple categories in *Debtwire*'s Western Europe legal adviser league tables for Q1–Q3 of 2026.

Cahill ranked among the leading legal advisers to lead banks across six leveraged loan categories: Western Europe overall, sponsor-backed, institutional, France, Benelux, and UK and Ireland (UKI). The firm climbed several spots in most categories and substantially expanded its market share year over year.

The firm rose to No. 4 in the UKI Leveraged Loans (Lead Bank) category. Cahill also climbed five places to No. 6 for Western Europe Sponsor-Backed (Lead Bank) and moved up four places to No. 6 for Western Europe Institutional (Lead Bank). In the overall Western Europe Leveraged Loans (Lead Bank) table, Cahill ascended several places to No. 8 and more than tripled its market share. The firm also maintained its position in the France and Benelux Leveraged Loans (Lead Bank) tables, ranking No. 7 in each.

The rankings reflect the continued growth of our European Leveraged Finance practice and the firm's strategic expansion in London in 2026, which has strengthened its capabilities across leveraged finance, private credit, real estate finance, and digital infrastructure.
