IFLR1000 - The Guide to the World's Leading Financial Law Firms has ranked Cahill Gordon & Reindel LLP as a "Top Tier" law firm nationally for financial and corporate law in its 2017 edition, including the only Tier 1 ranking in high yield debt for the seventh consecutive year, based in part on analysis that Cahill "has robust banking and debt capital markets practices, and is the only firm in the US to garner a tier one ranking for its high yield debt practice."

Eleven Cahill corporate partners have also been ranked as leading lawyers in the new edition. The *IFLR1000* list is issued by Euromoney Institutional Investor. A description of the selection methodology can be found at: <http://www.iflr1000.com/Home/OurResearch>.
