

Activists Find New Routes to M&A Opportunities

Date: 12/02/19

In this article by *The Deal*, Cahill partner Kimberly Petillo-Décossard discusses the changing role of activist investors, including how private equity and activist investors are occasionally taking on each other's roles. Kimberly made the comments as part of the 2019 Deal Economy Conference, while speaking on the panel "Sense of the Markets: Navigating the Current Environment."
