
SEC Conflict Minerals Guidance: June 2, 2014 Filing Deadline Stands

Date: 05/01/14

On April 29, 2014, the SEC Division of Corporation Finance issued a statement clarifying the effect of the D.C. Circuit decision in *National Association of Manufacturers v. Securities and Exchange Commission*, which substantially rejected an effort to invalidate the conflict mineral rules adopted by the SEC, while limiting the disclosure requirement on First Amendment grounds.
