
Helene R. Banks and Brock B. Bosson Publish “Good Value: Incorporating ESG into M&A Due Diligence” in the New York Law Journal

Date: 10/18/21

Especially in the M&A context, environmental, social and governance (ESG) is often framed in terms of risks, but a strong public record on these matters offers the prospect of competitive advantage. In a new article for the *New York Law Journal*, partners Helene Banks and Brock Bosson explore how thoughtful and appropriately scoped incorporation of ESG in M&A due diligence can do more than stave off scrutiny and scorn – it can enable an acquirer to harvest even greater value from its target.
