
Helene Banks and Lynn Schmidt Publish “Financings Hinge on Effective ESG Due Diligence” in The Deal

Date: 03/30/22

Interest in ESG matters has considerably increased in recent years, inevitably impacting financing transactions, including loans and bonds. In a new article for *The Deal*, partner and chair of M&A and Corporate Advisory Helene Banks and senior attorney Lynn Schmidt discuss the evolving landscape of disclosure requirements and how investors and companies should be prepared for ESG diligence as part of the legal and business review of their financing transactions.
