
Jason Schwartz Publishes “The Latest DeFi Alpha Is Tax-Optimized Staking” in BanklessDAO’s Decentralized Law

Date: 05/25/22

Cahill partner Jason Schwartz published “The Latest DeFi Alpha Is Tax-Optimized Staking” in BanklessDAO’s legal newsletter, *Decentralized Law*.

In the article, Jason examines the taxation of staking rewards associated with cryptocurrencies and provides a comparison between the taxation of “liquid” and “illiquid” staking.
