
Jason Schwartz Publishes “Squaring the Circle: Smart Contracts and DAOs as Tax Entities” in BanklessDAO’s Decentralized Law

Date: 07/28/22

Cahill partner Jason Schwartz published “Squaring the Circle: Smart Contracts and DAOs as Tax Entities,” in BanklessDAO’s legal newsletter, *Decentralized Law*.

In this article, Jason discusses the challenges associated with classifying smart contracts and Decentralized Autonomous Organizations (DAOs) as taxable entities, and he outlines various legal structuring alternatives for DAOs.
