
Helene R. Banks and Brockton B. Bosson Publish “Are Your ESG Disclosures Vulnerable to Claims of ‘Greenwashing’ ?” in *Corporate Secretary*

Date: 10/19/22

In a new article for *Corporate Secretary*, partner and chair of Cahill’s M&A and Corporate Advisory practice Helene Banks and partner Brock Bosson examine how companies can guard against claims their ESG disclosures constitute ‘greenwashing’ amid growing enforcement and litigation pressure. The authors offer guidelines that should help companies reduce the risk of regulatory action and greenwashing accusations as companies seek to highlight their ESG efforts.
