
Gregory Strong, Sarah Chen, and Amil Malik Author USA Chapter of Chambers Blockchain 2025 Guide

Date: 06/13/25

Greg Strong and Sarah Chen, partners in the CahillNXT Digital Assets & Emerging Technology practice, and associate Amil Malik authored the USA chapter of the Chambers Blockchain 2025 guide.

The Chambers Blockchain 2025 guide provides in-house counsel with expert legal commentary and the latest legal information on the evolution of the blockchain market, the status and use of digital assets, smart contracts, blockchain regulation, the tax regime for digital assets, sustainability and ESG issues, and data privacy and protection.
