
Lewis Cohen Co-Authors “To Regulate Cryptocurrencies, Treat the Tech as a Tool, Not a Threat” in American Banker

Date: 07/25/25

Lewis Cohen, Co-Chair of the CahillNXT Digital Assets & Emerging Technology practice, co-authored the article, “To Regulate Cryptocurrencies, Treat the Tech as a Tool, Not a Threat,” which was published by *American Banker*.

Lewis and the other authors developed a fact card that summarizes the article and highlight how policymaking can design more effective, future-oriented regulatory frameworks by adopting decentralized technologies.
