
Peter Williams, Sneha Jha, and Dan Amato Author New York Chapter of Chambers Private Credit 2026 Guide

Date: 03/17/26

Cahill partners Peter G. Williams, Sneha Jha, and Dan Amato co-authored the New York chapter of the Chambers Private Credit 2026 guide.

Cahill's chapter focuses on how private credit has become a major pillar in global leveraged finance and is able to compete at scale with the broadly syndicated (BSL) market. This chapter does a deep dive into rapidly converging documentation trends in large-cap deals across the BSL and private credit market as well as highlights the nuances between these markets.
